Subject —

I have the honour to state, that Government, in their order No L 4-5/Ml 14-32-35 dated 30th June-1933, sanctioned the proposal of the Hoskote Municipal Council to work the Toll gates departmentally as a permanent arrangement The Municipal Council, in their meeting held on 29-3-1934, resolved to lease out the right of collecting tolls for the year 1934-35 as the income realised by the departmental working of tolls was insufficient But the Municipal Council, again while passing the Budget estimates for the year 1934-35 in its meeting held on 11-4-1934 has resolved to continue the system of collecting tolls departmentally The sale notification for the sale of right to collect tolls was however issued, the date of auction being fixed for 15-6-1934 as there were two different resolutions of the Council on the subject, the Municipal President sought instructions from this office in the matter & my predecessor thereupon ordered that the departmental arrangement might be continued and the sale fixed allowed to be held to ascertain the result so as to afford a comparison By working the tolls department the Municipality derived a net income of Rs 1247-1-6 (i.e., Rs 1727-1-6 less establishment charges Rs 480/- in the year 1932-33) and Rs 1556-15-6 less Rs 720/- establishment charges i.e., Rs 836-15-6 during the year 1933-34 The contract amount of the sale for the current year is Rs 1150/- i.e., Rs 614/- less than last year's income The Municipal Council in their

in their meeting held on 15-6-1934 that the departmental collection of tolls may be continued and the present sale cancelled, as the contractor system [illegible] unnecessary trouble to the public. The Municipal President is also of the same opinion and his fear that the contractor in order to get a higher income might levy tolls on exempted items etc. This contention is untenable as, if the contractor collects illegally, the President can take action against him.

I made enquiries about this, when I had last gone to Hoskote. Certain Municipal Councillors want the toll gates to be worked departmentally but, in the interest of the Municipality, it is better to confirm the present sale which is more advantageous. In this connection, it may be mentioned that the Council having passed a resolution on 29-3-1934 to the effect that the right to collect toll should be sold, had no power to change it on 11-4-1934 as the period of 3 months had not yet expired.

In these circumstances, I request you to kindly obtain sanction of Government for the confirmation of the sale now held.

The favour of very early orders is requested in the matter.

I have the honor to be,
Sir,
Your most obedient servant

Deputy Commissioner,
Bangalore District.

Government Order No L 14-5/1 14-32-35 dated the 1st July 1933 sanctioning the proposal of the Hoskote Municipal Council to work the toll rates departmentally as a permanent arrangement.

2 Letter No C 2 255/34-35 dated [illegible] 1934 from the Deputy Commissioner, Bangalore, in the circumstances stated for the confirmation of the sale of the right of collecting tolls in the Hoskote Municipality for the year 1934-35

Order No L 1396-7 ML 48-34

Dated, Bangalore, 27-8-34

It is reported by the Deputy Commissioner that the Hoskote Municipal Council, in their meeting held on the 29th March 1934, resolved to lease out the right of collecting tolls for the year 1934-35, as the income realised by the levy of tolls [illegible] was insufficient, that though the Municipal Council claimed the right and resolved on the 14th April 1934 to continue the levy of tolls, the right fixed for 15th June 1934 was allowed to be held with the collection to compare the result [illegible]

departmental management and that the contract amount offered in the sale is found to exceed 1 st year's collections under departmental agency by Rs 611/- The Deputy Commissioner also observes that the Council having passed a resolution on the 29th March 1934 that the right should be sold it was not competent to change that resolution before the expiry of 3 months from the date thereof For these reasons he recommends that the sale may be confirmed

The Deputy Commissioner's recommendation is sanctioned
